Tax Stamps

What do the tax stamps do, they help counter illicit trade, curb counterfeit and are an effective tool in slashing tax evasion.

First RFP issued in 2007, after three more last one issued in 2019

Total 28 registered tobacco manufacturers, 98% paid by BAT and PTC while 2% is paid by all of the rest combined. Tax stamp will ensure every cigarette that rolls out of the manufacturing machine is counted, catered and taxed.
