Dear Dr. Ahmed,

On behalf of the Chairman Securities and Exchange Commission of Pakistan (SECP), Mr. Aamir Khan, I would like to thank you for sharing copy of the Report on State of Creative and Social Enterprises in Pakistan.

The SECP appreciates work being carried out by the Sustainable Development Policy Institute (SDPI) towards sustainable and inclusive economic development. We at the SECP, are striving to create a vibrant business sector in Pakistan by strategically redefining the role of SECP to align with economic and social development needs of the country. This involves enabling ease of doing business through legislative reforms, encouraging startups and Fintechs through promoting innovation, lobbying for tax reforms to improve corporatization and documentation, improving financial inclusion to stimulate growth of small businesses, and encouraging policies in the business world to foster a beneficial and comfortable working environment for Pakistani women.

Yours sincerely,
